

inmuJOY – a reliable and cheerful friend

inmuJOY is soft and comfortable to hug. Your hands just can't resist the pleasant experience of adventuring through the soft fur and the many details of the cover.

When you caress and fiddle, fun things happen and the music is wonderfully comforting. But if you rather feel like playing, jumping and dancing – then the inmuJOY will want to join you. The music will change to cheerful and fun dancing music. inmuJOY is your new musical friend.

Usage:

- inmuJOY is wonderful to hug and to make you feel comfortable
- Relax with inmuJOY and get your thoughts and mind settled before going to sleep
- Let inmuJOY help you to distract attention from disturbing thoughts or discomfort
- Bring it along when you go to school or other activities – let it stay by your side
- When doing your homework, inmuJOY will help you concentrate
- A never-ending pond of possibilities for musical game and activities
- And much much more...

Along with inmuJOY comes a 6 month free membership to access our online courses, where you can learn different techniques for e.g. better sleep, concentration, improved motor skills and much more.

The inmuJOY was designed specifically for cognitive sensory stimulation and general arousal regulation, to satisfy a need for a companion to give ease and comfort.
